Step 4: Click on your CART, which is placed on the top right hand corner of the website

Step 5: Right below the details of your order there is a place to insert your voucher code and click 'Add'. After clicking on 'Add', your price will be £0.00

- Please make sure you insert your **voucher code**, not a security code.

Step 6: Place your order by clicking on 'Next'.

- Please remember that if you bought your Groupon voucher in Ireland, we will ask you at this stage about the delivery charges.

Step 7: You will receive an email confirming the details of your order.

WHEN YOUR Groupon VOUCHER DOES NOT WORK:

1. Voucher is activated after approximately 20 hours after the completion of the deal. Therefore if the deal is finished on e.g Sunday at midnight, your voucher will be activated on Monday at 8pm.
2. When you use the voucher on the item that you have not ordered by Groupon.
3. When you incorrectly insert the voucher code.
4. When you use the voucher code which you have already used.

Thank you for your enquiry. Should you have any more questions, please go to 'Contact us' section on our website. We will be more than happy to assist you.

Kind regards,

SilvexCraft
